SUBJECT: Blacks in Government Conference, 30 August - 2 September 1984

George:

1. Received the flyer addressed to Mr. Casey on Blacks in Government Conference scheduled for 30 August - 2 September 1984.

2. This annual session is always well publicized by OTE and O/EEO and the Agency sponsors dozens of black employees for the Conference. Didn't know whether or not you expected a formal reply from the DCI on the letter he received from the National President of BIG. Recommend against it since it is a form letter sent to all Government and private organizations.

The Honorable William J. Casey
Director, Central Intelligence Agency
Washington, D.C. 20505

Dear Mr. Casey:

The National Organization of Blacks in Government (BIG), will convene its Sixth Annual Training Conference August 30 - September 2, 1984 in Washington, D.C. at the Sheraton Washington Hotel. The Conference theme -- "Training for Success in the Technological Work Environment" -- is a continuation of the organization's commitment to promote career growth and cultural development of Black federal, state and local employees. We would, therefore, like to take this opportunity to share some of our concerns regarding conference involvement, and applaud you and your office for your past participation in BIG Training Conferences.

Our Conference, with its training enrichment courses, is the only one of its kind in the country which specifically addresses the concerns of Black government employees. This includes employees at the federal as well as state and local government levels of operation. We are very appreciative of your past efforts in removing barriers to attendance of Black government employees, and hope that this commitment will continue.

This year's Conference will provide training in the importance of productivity, computer literacy, office automation, performance appraisal and career development. We believe these efforts will have a positive impact in addressing our mutual concern of promoting greater employee efficiency. Thus, this communique sets forth an area of involvement in which we hope you will agree to encourage your employees to participate by making training funds available to them.

Please find enclosed a copy of the Conference announcement. For more information, please contact Mr. Robert Carter, General Conference Chairman at (202) 638-7767.

Sincerely,

Thomas O. Jenkins
National President
